

Burrill Lake Tourist Park Annual Fishing Comp

5th, 6th & 7th March 2010

This competition is open to all on site van owners, their guests, campers and tourists that are staying in the park that weekend.

No Stay, No Play!

Entry Fee:

\$5 Kids - 16 and under
\$10 - Adults

This year we are also asking that each family donate a prize/voucher for the auction as part of their registration. We are running the fishing comp this year independently, and we are counting on each family's support to keep this wonderful event running for all to enjoy in future years.

Being a family competition, we really want to encourage families to fish together, and the kids to be a huge part of the comp.

There is a boys division and girls division for all age groups!
